Grace, Not Perfection

For it is by grace you have been saved, through faith; and this is not from yourselves, it is a gift of God. ~ Ephesians 2:8

Have you tried to do it all only to now be stuck or near burnout?

Does simplicity appeal to you but you're too overwhelmed to think about how to accomplish more?

Do you hold yourself to a standard of perfection, when what God is really calling us to do is simply step into His Grace?

Are you open to finding acceptance and even joy in the midst of life's beautiful messes?

Come to this retreat and with other women learn how to live free from the traps of perfection and comparison.

This annual women's retreat weekend is designed with you in mind.

Four session video-based presentations with small study groups are being planned.

Retreat Overview & Objectives

- Encourage one another to grow in God's grace
